Power banks ship at regular ground shipping rates. For expedited or air shipments outside the Continental U.S. shipment must be made with Federal Express and a \$50.00 charge per each box must be added as required by law. Slight shifting of logo/text cannot be avoided. As each product is manufactured and logoed individually, up to 3/16" movement in logo alignment may occur. Products are intended for individual use and cannot be compared one to another. In 4-color process printing, exact color match cannot be achieved. There may be a dramatic difference between the PMS Color noted, screen color shown and printed color. None of these can be considered a defect.

Disclaimer: Only Ground Freight Available within the Continental USA for Power Banks. International Shipments, Including HI & AK can only ship FedEx 2 Day or FedEx Overnight. A \$60.00 (G) charge per box fee will be added to shipping for appropriate documentation for hazardous materials. 1018
