Please note: All of our digital 4 color process printing methods (dye-sublimation, heat transfer and direct) utilize specialized computer printers to transfer your image onto our products. This print method uses CMYK (Cyan, Magenta, Yellow, Black) ink colors and not pre-mixed PMS inks (which are used in silkscreen and pad printing). Therefore, exact PMS color matching is not possible and we cannot issue credits, refunds or accept returns for an issue relating to a requested PMS color match. We can only do our best to match your colors as closely as possible. Repeat order ink colors will vary from order to order. PMS matches can only be close and cannot be matched exactly for digital printing. Claims resulting from printing imperfections only noticeable when magnified or enlarged will not be accepted. Logos/printing must be viewed at arms-length by the human eye. E5007. Expires 12/31/2025
